The importance of an automatic pool cover

Safety

Our pool and spa covers are made of durable, weight-bearing vinyl that offers the highest level of security and peace of mind.

Cleanliness & Maintenance

Our automatic pool and spa covers act as a barrier, preventing debris from entering a pool or spa when it's not in use.

Energy Efficiency

Auto-covers help decrease energy and chemical consumption while keeping heat in. Auto-covers also extend the swim season allowing your family more time to enjoy your pool.

Convenience

With the push of a button, you can reduce cleaning time by effortlessly covering or uncovering your pool or spa.
